

JOURNAL OF MEDICAL GENETICS

Editor: ARNOLD SORSBY

Assistant Editors: A. C. STEVENSON and JOHN L. HAMERTON

Genetic Study of Sample of 70 Patients with Myasthenia Gravis	257
A. JACOB, E. R. CLACK, and A. E. H. EMERY	
Incidence of Fibrocystic Disease in Wessex	262
B. D. HALL and M. J. SIMPKISS	
Multiple Sclerosis: Discordance in Three Pairs of Dizygotic Twins	266
W. S. CENDROWSKI	
Anhidrotic Ectodermal Dysplasia: Autosomal Dominant Inheritance with Palate and Lip Anomalies	269
R. S. RAPP and W. E. HODGKIN	
Diagnostic and Genetical Aspects of Tuberous Sclerosis	273
N. C. NEVIN and W. G. PEARCE	
Amino Acid Patterns in Cystinuric Families	281
S. KELLY and W. COPELAND	
Testosterone Excretion Rates in Normal Males and Males with an XYY Complement	286
B. T. RUDD, O. M. GALAL, and M. D. CASEY	
Familial Microtia with Meatal Atresia in Two Sibships	289
L. C. ELLWOOD, S. T. WINTER, and H. DAR	
Hereditary Non-spherocytic Haemolytic Anaemia with Post-splenectomy Inclusion Bodies and Pigmenturia Caused by an Unstable Haemoglobin Santa Ana- β 88 (F4) Leucine $\rightarrow$ Proline	292
R. W. OPFELL, P. A. LORKIN, and H. LEHMANN	
Combination of Hereditary Elliptocytosis and Heterozygous Beta-thalassaemia: A Family Study	298
M. AKSOY and S. ERDEM	
Secretor Status in Asthma and Hay Fever	302
M. A. DENBOROUGH and H. J. DOWNING	
Incidence of ABO and Rh Blood Groups in Pulmonary Tuberculosis in Different Ethnic Groups	306
N. SAHA and B. BANERJEE	
ABO Blood Groups and Vitiligo	308
V. N. SEHGAL and B. DUBE	
Further Observations on Kell Blood Groups in Families Ascertained via a Mongol Propositus	310
D. A. PRICE EVANS, P. J. J. WREN, W. T. A. DONOHUE, M. F. BULLEN, M. LEWIS, H. KAITA, B. CHOWN, and I. UCHIDA	
Diverse Chromosomal Anomalies in a Family	314
L. ATKINS, C. S. BARTSOCA, and P. J. PORTER	
Case Reports:	
Congenital Microcephaly with Hiatus Hernia and Nephrotic Syndrome in Two Sibs	319
W. H. GALLOWAY and A. P. MOWAT	
A Large Deletion of Chromosome No. 1 (46,XY,1?—)	322
D. AARSKOG	
X-linked Hydrocephalus	326
M. W. SHANNON and H. L. NADLER	
Multiple Anomalies Associated with a Small Extra Metacentric Autosome	329
A. B. MUKHERJEE, M. W. PARTINGTON, N. E. SIMPSON, and K. A. WALMSLEY	
An Extra Small Metacentric Chromosome in a Mentally Retarded Boy	335
J. ISHMAEL and K. M. LAURENCE	
Review Article:	
Males with an XYY Sex Chromosome Complement	341
W. M. COURT BROWN	
Book Reviews	360
Index	369
